**Accès Condos program**  
Qualification of developers-contractors for accreditation of  
projects in the Accès Condos program  
on the city of Montréal territory

**DÉV-09-001**

The *Société d'habitation et de développement de Montréal* (the Company) invites developers-contractors to submit applications to qualify for the construction of new, affordable condominium units under its *Accès Condos* program.

Received proposals will not be opened publicly and will be evaluated according to specific criteria and analyzed by a selection committee based on the system of evaluating applicants outlined in the Call for Proposals, which will be available on sé@o, the online Call for Proposals website, **beginning November 17**.

Applicants must attend a MANDATORY information session to be held at:

**2 p.m. on November 24, 2009, at 425 Sherbrooke Street East, suite 01, Montreal.**

The information session, as well as all Call for Proposals documentation, is available in French only.

At the time of filing, applicants must have a registered business establishment in the province of Quebec and possess all required licenses issued by the *Régie du bâtiment du Québec*.

The Company will accept proposals from developers-contractors until 12 p.m. on January 12, 2010, at its offices located at 800 boulevard de Maisonneuve East, suite 2200, Montreal.

The Company is not required to accept the best proposal nor any of the proposals received.

Issued in Montreal, November 2009.
